Carlos Jaime

Ellen Kappes

Sean Kilkenny

Janice Kluth

Brendan Reed

Doug Roberts

Samantha Russo

Brenden Seki

Allison Wood

INTRODUCTIONS

Chair Sassan Rahimzadeh initiated the meeting and welcomed CCWG members and the public.

MEETING #6 RECAP

Brendan Reed (City staff) introduced the new alternate representative for the Pacific Southwest Association of Realtors, Tracy Morgan Hollingworth. Brendan also provided a brief summary of the last CCWG meeting and mentioned that the City Operations Sustainability Plan was formally approved by City Council on July 8th.

REVISED PLANNING MATRICES

Cory Downs (City Staff) presented the revised CAP Update Planning Matrices, which included the initial selection criteria results, 29 quantifiable actions, and 146 supportive actions. It was also noted that the EPIC Mitigation Tool was updated with some Chula Vista-specific community data such as Vehicle Miles Traveled and energy use.

FRAMEWORK FOR PRODUCTIVE DIALOGUE

Chair Sassan Rahimzadeh presented some guiding principles to help the Climate Change Working Group reach general consensus on their recommendations.

SECTOR FOCUS GROUP DISCUSSIONS

The Climate Change Working Group split into 4 subgroups – Energy, Water, Transportation, and Solid Waste/Wastewater. The subgroups vetted and discussed each focus area’s planning matrix, especially noting support measures that they would like quantified. At the end, each subgroup reported out to the larger CCWG on their feedback and progress.

PLANNING PROCESS NEXT STEPS

Brendan Reed (City staff) proposed, and the CCWG agreed, that the next meeting would be devoted to continuing the subgroups’ work.

OTHER ITEMS

Chair Sassan Rahimzadeh announced that the September 10th meeting would again be held in the Police Headquarters’ Community Room. There were no public comments or member announcements.
